Ight the existence of a difference of orin-tion in the Cablnet. Knox and his wing a vised the President to send in his meswithout changing that part of it re-lating to the trusts. Root and his fol-lowers took the ground that the lan-guage was so severe that it would offend

gange was so severe that it would offend a great many persons whose friendship it was desirous to retain.

Since then the President has consulted Schators Ledge, of Massachusetts, and Flatt, of Connecticut, on the subject, and it is understood that they have bein advised him to modify his language somewhat before sending his message to Congress In the meanting each of the two what before sending his message to Congress. In the meantime each of the two factions in the Cabinat have been urging different Senators and Congressmen, as they have dropped into the city, to use their influence with Rooseveit in regard to this question. As to which side will provail no one can tell, but the majority opinion is that the message will be noderate in its terms, it will not be as long as that of last year, but will contain betweet nine and eleven thousand words. Certain, it is, however, that knoosevelt will deal with the trusts in his message and that he win deal specifically. Whether he is really in expression not no one knows. It is general, thought that he will advise some means of eradicating the knows, it is generally thought that he will advise some means of gradicating the evils resulting from them by unendment to the Sheman anti-trust law. The Pittsburg speech of Attorney-General Knox will be followed somewhat, as this was supposed to be an inspired utterance on the part of Mr. Knox and to be indicative of Proseyvelt's ideas on the trust cure. the part of Mr. Knox and to be interested of Roosevelt's ideas on the trust ques-

Kaufmann's December Welcome

Consummated by Radical Price Concessions.

This is not a spasmodic reduction of a few odds and ends of coats and suits selected from stock, but a bona-fide below-value offering of garments and other apparel of the most approved designs. Some came in yesterday, others last week, yet all are the most sought-after styles of this season's apparel.

This is how it's done: We buy largely and for cash. The makers of these garments are the best in the country-in itself a great item of our purchasing power-which enables us

To Frice the Garments Upon a Basis of Narrow Margin Profits, Hence Your Great Saving.
